11.0 AGENCIES AND INDIVIDUALS CONTACTED

The National Environmental Policy Act (NEPA) regulations require that Federal, State, and local agencies with jurisdiction or special expertise regarding environmental impacts be consulted and involved in the NEPA process. Agencies involved include those with authority to issue permits, licenses, and other regulatory approvals. Other agencies include those responsible for protecting significant resources such as endangered species or wetlands. The agencies listed below were contacted during the preparation of this Draft EIS/OEIS.
